RESEARCH INTEREST

Civil War

What is the role of ideation in civil war? What are the ethics of fieldwork in contexts of political violence?

Rebel Strategy

Which patterns shape non-state actor strategic thought? What drives military and strategy adaptation of rebel groups?

Governance

How do armed actors govern in civil war? How is governance negotiated between civilians and governance providers?

Legitimacy

Why and how do armed actors legitimise themselves in civil war? How can we theorise and operationalise legitimation in violent contexts?
